Who We Are

Petra Mobility, established in 2019, is a premier provider of advanced mobility solutions in the UAE, dedicated to enhancing the quality of life for individuals with diverse mobility needs. We offer a comprehensive range of mobility equipment, including wheelchairs, mobility scooters, therapeutic tools, and specialized furniture designed for people of determination, all crafted to promote independence, comfort, and well-being.

Partnering with globally recognized brands, Petra Mobility ensures that every product meets the highest standards of quality, durability, and safety. Our specialized furniture complements our mobility solutions by providing ergonomic, accessible designs tailored to the unique needs of people with disabilities. We are committed to offering personalized support, guiding our customers in selecting the right solutions for their specific requirements, and empowering them to lead independent and fulfilling lives.

Our Process

Our Mission:

Our mission is to enhance the lives of individuals with mobility challenges by providing superior, tailored solutions that promote independence, comfort, & well-being. We are committed to delivering high-quality products and compassionate support, ensuring every customer experiences greater freedom and a better quality of life.

Our Vision:

To be the leading provider of innovative mobility solutions in the UAE, empowering individuals to live with independence, dignity, and full participation in society. We aim to set new standards in quality and customer service, creating a future where mobility challenges are met with seamless, life-enhancing solutions.

What We Provide

At Petra Mobility, we understand that every individual's mobility needs are unique. That's why we offer a broad and diverse range of mobility equipment, meticulously selected & tailored to promote independence, comfort, & well-being. Our extensive product portfolio includes: Wheelchairs, Mobility Scooters, Walking aids, Power add-ons, Rehab-Products, Beach wheelchairs, Vehicle modification for people of determination, Special furniture etc.

POWER ADD-ONS

Enhance your manual wheelchair with our advanced power add-ons, designed to enhance your mobility and independence. Our diverse selection ensures you can customise your wheelchair to perfectly suit your needs and lifestyle.

what are Power Add-ONS?

Powered add-ons, or power assist add-ons, are devices that can be attached to manual wheelchairs to turn them into powered wheelchairs with ease. They're perfect for anyone who wants to make their manual wheelchair perform even better for their needs. Powered add-ons are designed to allow you to navigate life with more ease and speed. They're especially ideal for active users, as they boost wheelchair power and help you cover longer distances and more uneven terrain.

Hand controls

Driving can be challenging for people of determination. Fortunately, advancements in assistive technology have simplified the process. **PETRA MOBILITY** enhances the ability of people of determination to drive smoothly and safely. Hand controls are devices that allow drivers with disabilities to operate the vehicle using only their hands. They are often equipped with brakes, accelerators, and other essential functions that can be operated by hand.

D Run 1

- *Push the handle to accelerate*
- *Pull the handle to brake*
- *Base angle adjustable*
- *Pedal locking with brake button*
- *Applicable to 90% vehicle models*
- *Multiple adjustments in control handle*
- *Accorion pedal, adjustable 360°*

D Run 2

- *Push the handle to accelerate*
- *Pull the handle to brake*
- *Base angle adjustable*
- *Pedal locking with brake button*
- *Applicable to 90% vehicle models*
- *Doesn't affect regular driving*

Special Furniture

We specialize in customized furniture solutions designed specifically for people of determination. Established with a vision to enhance the living and working spaces of individuals with disabilities, we focus on delivering tailored furniture that meets the unique needs of each person. Our commitment to quality and inclusivity drives us to craft innovative and ergonomic designs that ensure comfort, accessibility, and independence for our clients.

WHAT WE OFFER

We specialize in a wide range of custom furniture solutions, including

- **Adaptive workstations and desks**
- **Accessible kitchen and bathroom furniture**
- **Customized seating solutions**
- **Adjustable and ergonomic beds**
- **Storage units designed for ease of access**
- **Other tailored furniture designed to enhance the independence and quality of life for our clients**

WHY PETRA

Customization at Its Best

At Petra Wooden Industries, every piece of furniture is designed with care and attention to detail. We work closely with our clients to understand their unique requirements, offering fully bespoke solutions. Whether it's adjusting dimensions, adding specialized features, or creating something entirely new, we ensure that every product is a perfect fit.

Quality and Craftsmanship

We use the finest materials and cutting-edge manufacturing techniques to produce furniture that is durable, safe, and aesthetically pleasing. Our team of expert craftsmen and designers is dedicated to maintaining the highest standards of quality, ensuring that our products meet and exceed the expectations of our clients.
