- Both Models fold exactly the same way from both ends
- Model A (small model) consists of 10% in quantity of Model B (big model) in each set of box.
- Each box is given a certain number of blocks depending on size and color
- Each box contains a catalog with instructions , building ideas & storage ideas

Model A

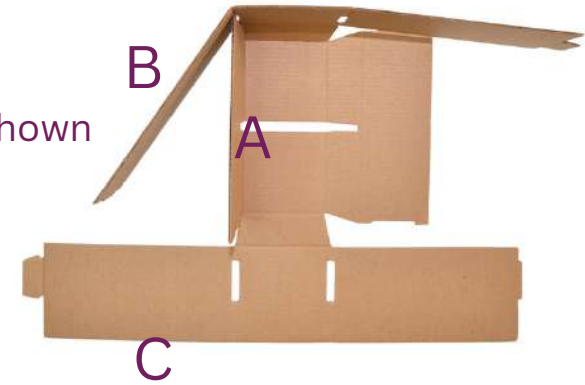

Model B

FOLDING TUTORIAL

Step 1

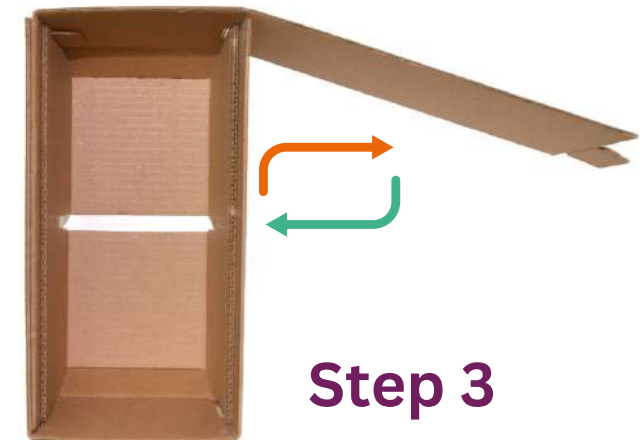

Place dye-cut in flat/horizontal position as shown in the picture
Hold A and fold it in a vertical position.
Fold B on top of A.

Step 2

Repeat same method for the other side of the brick in the same order as above.

Once A & B are folded, bring C forward vertically and lock the brick by inserting the sleeve on the side as shown in picture

Step 3
