# Introduction

If you are searching for a company to manage all your signage and graphics requirement, at affordable price, perfect quality and to work with people who understand your needs, we are then your ideal partners.

With 25 years in industry, head quartered in Dubai, we serve all the seven emirates and share long term working relationships with many of our clients.

For our quality and service, we have been awarded by “Government of Dubai” as distinguished sign supplier.

We specialize in a variety of signage as :

- **Tactile Signs / Braille Signs**
- Rooftop Sign
- Outdoor / Indoor Sign
- Digital Sign
- Way-finding / Building Signs
- Graphics works & Vehicle Branding

**We are specialized in manufacturing Tactile & Braille Signs.**

With our advanced printing technology, including a dedicated specialized printing machine for tactile and Braille signage, we deliver high-quality, durable, and fully compliant accessibility solutions. Our expertise ensures precise raised lettering, symbols, and Braille dots, making spaces more inclusive for everyone.

“Disability is in fact the inability to make progress and achievements. The achievements that people of determination have made in various spheres over the past years are proof that determination and strong will can do the impossible and encourage people to counter challenges and difficult circumstances while firmly achieving their goals,” **Sheikh Mohammed** said.
