TACTILES.AE

[BY ALSHABIBTRADING.COM](http://ALSHABIBTRADING.COM)

We Al Shabib Trading Est. have been in the market since late 1970s, with our vision that is all about providing the best and to clients nationally and internationally, our team has moved a head one step to support all categories in the world when it comes to finishing stone and concrete works.

We mainly were dealing with material and machinery for Marble / Granite / Stone / Cement factories to give the best result to clients / end users, now we have been pushing for supporting the community as full and started supplying and/or installing tactile solutions.

OUR VISION

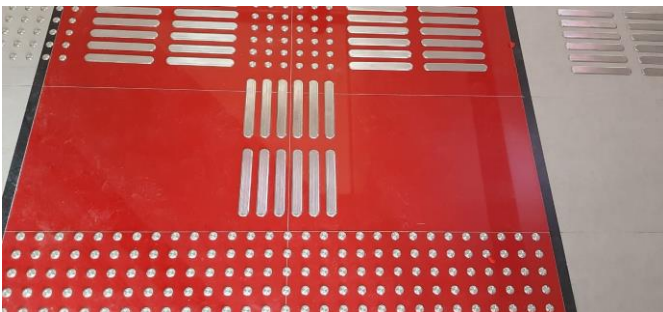

QUALITY OVER QUANTITY

Anyone can be a distributor or a retailer, we at Al Shabib Trading Est., our spirit is to make sure always return with a smile, meaning, we do not just sell over the counter, we follow u with the client and ensure maximum satisfaction.

A happy client for us means the world, our ratings are always high and we always work towards that road.

Making people happy is what takes to be successful – our pleasure is to see our products work the way they are supposed to work, because we value every penny the client spends.

OUR PROJECTS

DP WORLD

LEHBAB POLICE STATION

SUPPLY & INSTALL

We have successfully Supplied and Installed with the help of our partner Trustwell Technical Services LLC at the DP World & Lehabab Police Station in Dubai – our valuable clients where satisfied because we were able to deliver and install at a very competitive price and minimum time frame.

We continue to supply 1000s of pieces of tactile through out the country from schools to government buildings, banks, etc. Our tactiles standards are compatible with local standards and can also be customized as per customers needs.
