ACCESSIBILITY AND FALL PREVENTION

About Us

- Founded in 2018 as the sole online marketplace platform for Post-Operative Care Products within UAE.
- SEHAAONLINE offers an affordable platform for home environment accessibility aids for patients requiring transitional or long-term care.
- In light of evolving technology Sehaaonline platform is end to end patient journey for care products and services towards the growing number of acute and chronic population.
- SEHAAONLINE has actively supported patients in managing their daily activities and promoting mobility for a more independent lifestyle.

Integrated platform to Support end to end patient journey

- Patient Discovery
- Identify Medical Condition
- Provide Awareness
- Provide option to buy, rent or recycle
- Fulfillment and retention
- Opportunities for Cross-Network Selling
