

# Multispeciality physiotherapy & Neuro Rehabilitation Center

Empowering Lives, Restoring Independence

## Who We Are

Kent Healthcare is a trusted rehabilitation center dedicated to helping individuals with disabilities lead fulfilling lives. Based in Dubai's Nashwan Building, Mankhool Road, our 5000-square-foot state-of-the-art facility offers a serene environment for healing. Certified by the Dubai Health Authority (DHA), we pride ourselves on delivering personalized rehabilitation therapies, fostering confidence, independence, and resilience.

## Vision

To be a global leader in empowering individuals with disabilities, ensuring they live fulfilling and independent lives.

## Mission

We provide compassionate, holistic, and personalized rehabilitation therapies that restore confidence and dignity. Through innovative and professional integrity, we help individuals reach their fullest potential.
